Global Research Awards

Reporting Form

Name :

Project Title :

Host(s) :

Reporting Period :

Please complete this form for every two month period, or *pro rata*, spent at your overseas host(s) and return by email to research@raeng.org.uk.

Brief overview of project.

Details on the progress of research activities, referring to the target dates as outlined in application. If necessary, provide reasons for any variations from the original work programme.

Have any of the expected outcomes or deliverables been achieved?

Details of any dissemination activities, such as seminars presented at host(s). Please make reference to those that were specifically mentioned in the application.

Details of any visits to other companies, institutions or research groups. If appropriate, make reference to those that were stated in application.

Comments on integration at host(s) and working environment.

Any other comments?
